

Sottopensile Grid

ACCESSORI SOTTOPENSILI “GRID” “GRID” UNDER WALL UNIT ACCESSORIES

Il sottopensile “Grid” è un accessorio che lavora a pressione tra il top e il fondo del pensile.

È disponibile in due altezze: H 53 e H 56 regolabili (escursione piedini +/- 1,5) in altezza e due larghezze (L 60 e L 90).

Sono disponibili in quattro finiture: due metalliche (titanio e brill), due verniciate opoche (nero e bianco).

Ogni elemento è composto di serie da 2 vaschette trasparenti in plastica, in appoggio su una cornice metallica verniciata nei 12 colori previsti.

The “Grid” under wall unit is an accessory that works by pressure between the worktop and the bottom of the wall units. It is available in two heights: H 53 and H 56 adjustable (foot +/- 1,5) both in height and two widths: (W 60 and W 90). It is available in four different finishes. Two of them (titanium and brill) are metal finish, while others are matt painted (black and white).

Each element is made up as standard with 2 transparent plastic trays, leaning on to a painted metal frame available in 12 expected colors.
